WELCOME TO THE CLEARWATER COUNTRY CLUB

Clearwater Country Club, designed by Herbert Strong, is one of the oldest courses in the Tampa Bay area. Established in 1921, Clearwater Country Club has long served as a social and recreational hub for residents of Clearwater, the nearby beaches, and the surrounding areas. Throughout its history, the club's contributions to civic affairs, athletics, and the cultural heritage of Clearwater have gained recognition throughout the Tampa Bay area. Stevenson's Creek meanders through seven holes on the course and a railroad train still runs through the course daily.

The Club currently offers numerous benefits to its members and guests, including an 18 hole, par 72 championship golf course. The course is supported by a complete short game area (practice range, putting green, and a chipping green) as well as a fully stocked golf shop. PGA instruction is provided on a daily basis. The clubhouse features a full bar and grille that is open to the public, as well as private conference rooms, a patio lounge, and a formal dining room with complete food and beverage service available. Private cart ownership, locker room facilities, and club storage are available.

Our dedicated staff strives to provide our members with a casual and friendly atmosphere surrounding the simple pleasures of golf. Clearwater Country Club extends to you seasonal and yearly memberships with exclusive privileges.

WELCOME and see you on the tee!!!
